## WEDNESDAY, NOVEMBER 2<sup>ND</sup> 2022

- 9h00-10h00 Registration - Coffee
- 10h00-10h30 Welcome  
**Isabelle VAN SEUNINGEN**, Director of ONCOLille Institute
- 10h30-12h00 Symposium 1: Tumor Resistance & Plasticity  
Chairs: Chann Lagadec & Loic Lemonnier  
  
**Gergely SZAKACS** (Vienna, Austria)  
+2 selected speakers of 15 min each
- Lunch (Stands/commercial/companies presentations)
- 14h-16h30 Symposium 2: Molecular Mechanisms and Signaling  
Chairs: Dimitra Gkika & Albin Pourtier  
  
**Marco DE MARIA** (Groningen, the Netherlands)  
« Modulation of senescence-associated mechanisms in cancer therapy »  
**Eric GILSON** (Nice, France)  
“Telomere contribution to oncogenesis”  
+2 selected speakers of 15 min each
- Coffee break
- 17h00 Plenary Lecture  
  
**Douglas HANAHAN** (Lausanne, Switzerland)  
"Hallmarks of Cancer-further considered, and new insights into the immuno-suppressive tumor microenvironment"
- 18h-20h00 Poster session with wine and beer

## THURSDAY, NOVEMBER 3<sup>RD</sup> 2022

8h-10h30

Symposium 3: Cancer Targeted therapy  
Chairs: Olivier Morales & Alexis Cortot

**Celso REIS** (Porto, Portugal)

"Altered glycosylation in cancer: dissecting the molecular mechanisms and understanding the clinical implications"

**Hervé WATIER** (Tours, France)

"In search of the best antibody format for immune checkpoint inhibitors"

+2 selected speakers of 15 min each

Coffee break

11h-12h30

Symposium 4: AI & Computational Systems Biology of Cancer  
Chairs: Mohamed Elati & Rémy Nicolle

**Vera PANCALDI** (Toulouse, France)

+2 selected speakers of 15 min each

Lunch

(Stands/commercial/companies presentations)

14h-15h30

Symposium 5: Cancer Adaptation Metabolism  
Chairs: Laurent Mortier & Mathias Chamailard

**François GOLDWASSER** (Cochin Institute, France)

+2 selected speakers of 15 min each

Coffee break

16h-18h00

Symposium 6: Mathematical Modeling for Cancer Research  
Chairs: Sophie Dabo

**Mahlet TADESSE** (Georgetown U, USA)

+2 selected speakers of 15 min each

18h00-20h00

Poster session

20h00

Gala Dinner (Lille Museum of Fine Arts)

FRIDAY, NOVEMBER 4<sup>TH</sup> 2022

9h-10h30

Symposium 7: Technologies for Health in Cancer

Chairs: Anne-Sophie Vignion & Vincent Senez

**Shuichi TAKAYAMA** (GeorgiaTech, USA)

**Petteri UUSIMAA** (Modulight Inc., Finland)

“Cloud connected medical devices for photoactivated drug delivery”

+2 selected speakers of 15 min each

Coffee break

11h-12h30

Symposium 8: Cancer & Labour force

Chairs : Nicolas Debarsy

**Cathy BRADLEY** (Denver U., USA)

“economic consequences of cancer »

+2 selected speakers of 15 min each

Lunch

14h-16h30

Symposium 9: Interventional Research in Cancer

Chairs: Delphine Grynberg

**Serge SULTAN** (Montréal, Canada)

**Kristopher LAMORE** (Lille, France)

+2 selected speakers of 15 min each

16h30-17h30

Coffee & Departure
